The piles should not exceed 10 feet long by six feet wide by four feet tall. Please place the bulk waste and green waste piles at least three feet apart from each other.

Nine Day Rule

Residents may place bulk/brush out for collection no sooner than nine days prior to the Monday of scheduled collections week.

Landfill Program

Through the city's contract with the Salt River Landfill, residential solid waste customers may haul up to 2,000 pounds of trash, brush or bulk items to the landfill once per calendar week (Monday through Saturday) If you exceed one landfill use per calendar week, the charges will be reflected on your next utility bill.
